

WORKFORCE ANALYSIS

(Sec. 46a-68-83)

September 2023

This section was found to be in compliance in the previous filing and there were no proposals or recommendations.

Subsection (a)

The analyses included in this section display the racial and sexual composition of the total full-time workforce for each office, position and, position classification identified in the job title study. Analyses were performed for part-time and durational titles. The analyses include a detailed breakdown of the individual titles and separate demographic profiles. The workforce analysis inventories the:

- Total agency workforce by occupational category with percentages of race and sex groups calculated for each occupational category
- Total agency workforce by office, position, and position classification within each occupational category
- Agency workforce in each relevant labor market area by occupational category
- Agency workforce in each relevant labor market area by office, position and position classification within each occupational category

Subsection (b)

The analysis in this section reports the age groups of the full-time work force by occupational category in five (5) year increments.

Subsection (c)

The analysis in this section reports the number of employees in the full-time workforce who have identified as physically disabled.
